DEALER TERMS

A Ryca Motors dealer must have a physical business location. This location can be a motorcycle shop, retail store, or franchise dealership. A Ryca Motors dealer location must be zoned for business, commercial, or retail. No residential locations are allowed. Discounts may be given to builders or other non-dealers at Ryca Motors' discretion.

WHOLESALE DEALER ACCOUNT TERMS AND CONDITIONS

PURCHASING:

All Ryca Motors dealers must place their orders via our website shop.rycamotors.com. Upon approval of your submitted dealer application, you will be assigned a dealer login and password to access our website and view dealer pricing. All Ryca Motors dealers are required to purchase a minimum of \$2500 annually to maintain dealer status. If an account falls below the \$2500 annual purchase minimum, the dealer account status will be revoked and retail pricing will be applied to the account for any future purchases made. Payment methods currently accepted are: Visa, Mastercard, American Express, Discover, and Paypal. Ryca Motors does not extend credit terms to dealers, thus all orders must be paid in full upon checkout before the order will ship. Ryca Motors does not backorder items. If you see an item that is not in stock on the website, and you would like to be notified when it returns to stock, please use the out of stock email notification feature on the product's webpage.

MANUFACTURER'S SUGGESTED RETAIL PRICE:

Ryca Motors strongly encourages its dealers to sell at the manufacturer's suggested retail prices (MSRP) as shown on the Ryca Motors website. The only exception is during sales, promotions, specials, etc. which are to be temporary in nature. Any advertisements made by Ryca Motors authorized dealers must display MSRP whether the advertisement is for a special or not. An advertisement for a sale, special, promotion, etc. must display both the MSRP as well as the sale price or discount. An advertisement is defined as any printed, published, or internet based posting of a product purchased from Ryca Motors by an authorized wholesale dealer for purposes of resale. Ryca Motors reserves the right to revoke dealer status and/or refuse to sell items to any customer without reason or notice given. The purpose of these conditions is to ensure fair treatment and to protect the profit margins for all Ryca Motors dealers. All pricing subject to change without notice given. Please refer to shop.rycamotors.com for the most current retail and/or dealer pricing.

WARRANTY/RETURNS:

All returns are subject to a 15% restocking fee unless the return is a result of our error (you received an incorrect or defective item, etc). Items must be returned in new, unused, unopened condition within 30 days of original purchase date or additional fees may apply. Ryca Motors must be contacted before returning any item to receive a returned merchandise authorization (RMA) number. RMA number must be clearly marked on the outside of the package or the package will be refused and returned to sender. Original shipping is non-refundable and return shipping is at buyer's expense unless the return is a result of our error (you received an incorrect or defective item, etc). If item is determined to be fit to return after examination by Ryca Motors, credit will be issued using the same payment method as the original purchase within 30 days of receiving returned item. Ryca Motors reserves the right to amend this return policy at any time.

DEALER PRICING:

Tiered-level wholesale pricing for most items is available for approved dealers. An approved dealer's discount is based on purchase volume, with larger discounts being given for increased purchase volume history. Pricing levels are set at Ryca Motors' discretion and are subject to change at any time.
